

Two years seem to have flown by and once again it is pantomime time. This year Chris Wood has chosen the story of Jack and the Beanstalk and given it a MERE twist here and there. Chris' enthusiasm and skill in writing panto scripts enable MADS to produce a really local pantomime and I am sure you will enjoy this year's as much as ever. A MERE audience is an important part of the production - so please, plenty of booing, hissing etc. when called for!

Panto is a lot of hard work for a small company but MADS members are always prepared to take on several jobs and work as a team. My thanks go to all members, to the author and director, to the producer, to all those taking part or working backstage and a welcome to the number of new names in this year's programme.
