Presents

## A FIERY DRAGON, HANDSOME HERO AND...SAUSAGES!!!

Once again, Eric Kincaid's artistry announces a mad MADS production - the biennial pantomime. We hope you enjoy this local version of St. George & the Dragon, which takes to the stage in spite of having had dragons of its own to slay - large casts can present problems for small and dram groups - (Oh, yes they can!) A warm welcome to new members performing on stage for the first time. My thanks to them and to all MADS stalwarts - cast and crew - who have made this production possible. And thanks to you - the audience - for your support. Join in the fun and enjoy the evening.

### BLUFF THE TRAGIC DRAGON

*Bluff the Tragic Dragon tried to do his part  
He flew around and burnt the fields but not with all his heart  
Simon Thomas George caught that Dragon out  
So just like all the Legends say he saved the Maiden's heart*
