

AUTHORS' NOTE

At the Head of the Blackmore Vale nestled beneath the chalk downs, lies the little town of Mere, home of the Castle Hill Hairbrush Company, makers of the finest hairbrushes in the land.

But heartless EU policies have thrown the company into despair and the Chairman, Herr Bert Bristle, is at his wits end as to what to do. Can his Daughter Cinderella help? and what is "The Barber of Mere" up to?

In an every day tale of local folk we hope to cast some light onto what REALLY goes on in your Village.

GOING TO THE CHAPEL

Because they're. Going to the chapel and they're gonna get married.
Going to the chapel and they're gonna get married.
Yes they're really loving and they're gonna get married.
Going to the chapel of love.

Spring is here.
The sky is blue.
Whoa! The birds all sing as if they knew,
Today's the day they'll say I do.
And they'll never be lonely anymore.

Chorus

Bells will ring.
The sun will shine.
Whoa! She'll be his and they'll be fine.
They will love until the end of time.
And they'll never be lonely anymore.

Chorus
